Tartar Teen Talk

By JUDY POWELL FEB 6-1960

The second semester got started Monday, with the distribution of the report cards and the new officers taking over their new duties. I would personally like to thank all the student body, not only for myself but for all the other new officers. Tartar Teen Talk cannot be written without your help, so please do not hesitate to call or tell me if you have anything you want put in the column.

Student Body Installation and call was held last Friday. Mr. Arnor, Student Council sponsor gave a talk on the accomplishments of each of the past council members and presented them with their pins. The new officers were introduced by new Student Body President Joe Pasio.

Also at the installation and call Friday the student body was introduced to our new vice-principal, John T. Shea. Mr. Shea is taking the place of Dale Hartar, who will be the first principal of North Torrance High School.

The final lap of our semester elections is over, with the result of the run-off election held last Thursday. Those winning, after undergoing the agony of a second election, are Pat Merritt, senior class secretary; Jeff Carr, commissioner of group control; Judy Wright, Girls' League vice-president, while Heuko Kato is Girls' League historian-reporter. Boys' League vice-president is Mike Kendall and treasurer is Tom Koehn. Junior class secretary is Adrienne Keyes, freshmen class secretary is Nancy Gibson and Jo Fran Rubco is Girls' League representative from the junior class. The sophomores' new president is Don Kelly, secretary is Gwan Chaffin, and Girls' League representative is Peggy Sprout.

Last Friday afternoon the Tartar Dance Band left for a weekend at Big Bear. Tobogganing and sledding during the day and spending their evenings bowling

was the week-end schedule of these lucky Tartars. Although many returned sore from rough-riding and with bad colds, everyone agreed that they had a wonderful time.

The Torrette Y-Teens had an initiation of new members last Friday night. First they had a potluck dinner, then to wear off this delicious dinner everyone went roller-skating. All tucked out from stating they returned once more to the YWCA for the final initiation and a slumber party. Forgetting the initiation all the new members are very happy that they have joined the Torrettes.

Today an exchange and call is planned by Centennial High School. Exchange and calls are among the favorite and calls given during the year.

The Ice Land Skating rink last Friday night was graced with the presence of the Mambolocas. It seemed that hardly no one had been on ice skates before, and the results were disastrous. Besides all this, everyone reported they had a good time and plan to return once more, upon recovery.

Sunday evening Peggy Wood, Janice Brimley, Sandy Glash and Jean Brimley all went to DePalmas for dinner. The restaurant was decorated in a "Gay Nineties" style, which added to the enjoyment of the evening. Everyone had pizza and a good time.

The Tartar Ladies Installation was held last night at the Western Club. This was a very exciting time and the new Tartar Ladies queen was announced. The Tartar Ladies queen will not only serve as head of the Tartar Ladies but on the Girls' League cabinet as well.

Don't forget our big basketball game tomorrow night with Paramount, here in our own boys' gym. After the dance the Tri Hi-Y is sponsoring a dance. It will be a very exciting game and the dance afterward will be a lot of fun. So plan to come and support our basketball players more than we have been backing them up.
